

VR SHOPPING Online

MULTIMEDIA SOLUTIONS

Shopping goes digital and virtually real!

Transport your customers to the supermarket of the future with our VR grocery shopping solution.

Immersive and innovative experience

Using cutting edge technology to improve your offer.

Superior online grocery shopping experience

Going beyond the convenience factor.

Inspect the product and access deeper levels of information like usage demo and promotional videos, nutritional facts, store ratings, specialists interviews and recommendations.

A personalized experience

Customized shopping environment and buying flows, brand, invoices, sounds... you name it!
